- Undergraduate
- Master
- Doctorate (PhD)
- Post-doctorate

The project covers travel and insurance costs for the selected applicants. Additionally, the following **monthly allowances** will be transferred to the selected applicants according to their academic level during their stay abroad:

- €1,000 for Undergraduate and Master
- €1,500 for Doctorate
- €1,800 for Post-doctorate

Applicants are kindly requested to carefully read all the information contained in this document before proceeding to complete and submit their online application form. All applications have to be submitted online and no paper versions will be accepted.

Undergraduate students must have successfully completed at least one year of studies in their home institution. Proof of being registered in a partner university it is requested to all TG1 applicants.

- Either to be registered in a Higher Educational Institution (not included in the partnership) of the countries concerned by the lot
- Or to have obtained a university degree or equivalent from a Higher Educational Institution of these countries (no matter whether their university of their previous degree belongs to the partnership or not).

Target Group 3 (TG3): Only Iranian, Iraqi and Yemeni candidates can apply to TG3. Nationals from the non-EU countries of the consortium who can justify with valid documents that they are in a particularly vulnerable situation due to social and political reasons.
